

FINAL STEPS:

- Activate your UW Email**

All UW offices communicate via your [UW email address](#). To activate, login to [Outlook](#) or [Gmail](#). Your email address is: [yourUWNetID@uw.edu](#). Your password is the one associated with your UW NetID. In [Manage your NetID](#), there are two email options on the left-hand menu: Office 365 and Google. Ensure the status is "Active". This is also where you can forward your email to another account. Note that activating your Office 365 account may be necessary to access some protected sites.
- Submit Immunization Records**

By accepting enrollment into the MSW program, students agree to meet immunization and TB screening requirements in accordance with CDC guidelines for healthcare personnel and as outlined by the [Health Sciences Immunization Program \(HSIP\)](#). This includes a requirement that students be vaccinated against COVID-19. Due to the nature of health professions training programs, exemptions are rarely granted and only in alignment with CDC recommendations, HSIP policy, and University policy and practice. An abbreviated requirements outline is available [HERE](#).
